

## PRIVACY NOTICE

This Privacy Notice sets out the terms under which **PAYPASS LLC**, will process your personal data, either directly, or along with third parties, will be as follows: collect, store, use, transmit, transfer, or delete for the following purposes:

- To carry out the contractual relationship that may be established with the Data Subject.
- Understand and monitor financial suitability and commercial, financial and service behavior.
- Contact to the Data subject through electronic means — SMS or chat, push, and email to send transactional notifications, service notifications, ads, other notices, news related to loyalty campaigns or service improvement.
- Contact the owner by any means for commercial purposes to offer products or services.
- Manage procedures (requests, complaints, claims).
- For all other purposes included in the Privacy Policy.

As the owner of your personal data or data subject, you are entitled to: (i) Access free of charge to the data provided (ii) Know, update, rectify and request the deletion of your information in the event of partial, inaccurate, incomplete, fractional, misleading data, or those whose treatment is prohibited or has not been authorized. (iii) Request proof of the authorization granted. (iv) Submit complaints to the Federal Trade Commission (FTC) for violations of the agreed processing of personal data. (v) Revoke the authorization and/or request the deletion of data, provided that there is no legal or contractual duty that prevents them from being deleted.

The Data Controller can access our Privacy Policy, which is published on: <https://usekashing.com>
